

Funding and Grants Intern

Save Darfur Canada (SDC) is a not-for-profit national coalition of organizations advocating for the Canadian government to play a greater role in ending the crisis in Darfur, Sudan.

Our operating model distributes responsibility and leadership among a dynamic and always evolving team. The success of SDC depends in large part on the hard work and enthusiasm of interns and coordinators who are often un-paid. New interns will have the opportunity to take on increasingly greater leadership and responsibility within the organization.

Save Darfur Canada needs to develop and expand its funding base in order to continue its ongoing campaigns and pursue important new projects. The Funding and Grants intern will be a valuable addition to the SDC team, and the intern's work will help shape SDC's future expansion and opportunities.
